Workplace and Psychosocial Health & Safety Policy's

Winton Shire Council Drug and Alcohol Policy

Organisational environment

Winton Shire Council's Mission Statement is:

"Through meaningful engagement, implement a range of strategies that cater to people from all walks of life, our community needs and aim to enrich our lifestyle and preserve our heritage".

Winton Shire Council's Vision is:

"To grow our community and explore exciting, new and innovative opportunities which will retain existing and attract new people with whom we can share our unique lifestyle and rich heritage".

Winton Shire Council's Corporate Values are:

Accountability:

The ethical concept associated with responsibility, enforcement, blameworthiness, transparent process, liability, and other terms associated with being answerable for the trust that is bestowed by those whom we serve.

Effectiveness:

The idea of carrying out a program or process that is entirely adequate to accomplish the purpose that has been identified as a goal or aspiration.

Efficiency:

The concept that in the process of pursuing or effecting any program, procedures, or task where all wastage is minimised.

Sustainability:

Is the capacity to maintain a certain process or state indefinitely? When applied in an economic context, a business is sustainable if it has accepted its practices for the use of renewable resources and is accountable for the environmental impact of its activities.

Meaningful Community Engagement:

Encompasses the principle of seeking the views and opinions of the Community. This is to be through an effective committee system and public consultation process as part of Council's decision making methodology.

Good Governance:

This describes the process of decision-making and the process by which decisions are implemented (or not implemented), hereby, public institutions conduct public affairs, manage public resources, and guarantee the realisation of human rights. Good governance accomplishes this in a manner essentially free of abuse and corruption and with due regard for the rule of law.

Ethical and Legal Behaviour:

Ethical behaviour is characterised by honesty, fairness, and equity in all interpersonal relationships. Ethical behaviour respects the dignity, diversity and rights of individuals and groups of people. When coupled with legal behaviours there is an expectation that there will be a penalty for conduct that breaches any law statute or regulation.

Organisational relationships

Reports to:

Director of Works

Supervision of:

Cadet Engineer

Internal Liaisons

CEO, Director of Works, Executive Manager Community Services and Manager Economic Development, Works, other Council Departments and Works employees.

Position objectives!

The Manager Special Projects has a high level of autonomy in the delivery of capital works projects or a range of project activities and makes day to day decisions in relation to prioritising activities and maximising the utilisation of assigned resources. Onsite problems, contractual variations, extensions of time and progress certificates are all dealt with in accordance with delegated authorities and may require decision making by the Manager. On specialised technical/professional matters the Manager is required to research all relevant standards and requirements and make expert and informed recommendations upon which higher level decisions can be made.

Organisational commitment

CORPORATE

All Local Government employees are required to comply with relevant Acts and regulations, Council's policies and procedures as amended from time to time.

CONFIDENTIALITY AND IMPROPER USE OF INFORMATION

All Council documents and information are treated with complete confidentiality. Information gained during employment with Local Government must not be used to gain advantage, or to cause detriment to the Local Government or its contractors.

WORKPLACE HEALTH AND SAFETY

Directors/General Managers/Managers Responsibilities include:

1. Provide adequate resources and support for the promotion of Council WHS Management System and ongoing effective management in line with the WHS Management System Plan
2. Involvement in the development of health and safety objectives, targets, performance indicators and action plans.
3. Assisting responsibility to ensure objectives, targets and plans.
4. Monitoring the progress of health and safety objectives, targets and plans.

5. Providing support and authority to supervisors to ensure they are able to meet their 'duties' in accordance with the requirements of the WHS legislations, plans, policies and procedures.
6. Attending WHS committee meetings as required.
7. Participation in site safety observations and investigations.
8. Ensuring all contractors engaged provide documented evidence of safe systems of work before being engaged to perform work.
9. Ensuring that suppliers provide products in accordance with any legislative requirements (e.g. Australian Standards or Codes of Practice).
10. Implementing and monitoring consultative arrangements for management of WHS within the Directorate, in particular team meetings, WHS Representative meetings, within the Directorate, in particular team meetings, WHS Representative meetings, WHS committee meetings and discussing WHS at management meetings.
11. Supporting workers in stopping work where there is imminent risk of injury and notifying relevant senior management members and the corporate safety team.

Qualifications/Licences/Tickets required

The following qualifications and Licenses are:

Mandatory
