Organisational environment

Winton Shire Council's Mission Statement is:

"Through meaningful engagement, implement a range of strategies that cater to people from all walks of life, our community needs and aim to enrich our lifestyle and preserve our heritage".

Winton Shire Council's Vision is:

"To grow our community and explore exciting, new and innovative opportunities which will retain existing and attract new people with whom we can share our unique lifestyle and rich heritage".

Winton Shire Council's Corporate Values are:

Accountability:

The ethical concept associated with responsibility, enforcement, blameworthiness, transparent process, liability, and other terms associated with being answerable for the trust that is bestowed by those whom we serve.

Effectiveness:

The idea of carrying out a program or process that is entirely adequate to accomplish the purpose that has been identified as a goal or aspiration.

Efficiency:

The concept that in the process of pursuing or effecting any program, procedures, or task where all wastage is minimised.

Sustainability:

Is the capacity to maintain a certain process or state indefinitely? When applied in an economic context, a business is sustainable if it has accepted its practices for the use of renewable resources and is accountable for the environmental impact of its activities.

Meaningful Community Engagement:

Encompasses the principle of seeking the views and opinions of the Community. This is to be through an effective committee system and public consultation process as part of Council's decision making methodology.

Good Governance:

This describes the process of decision-making and the process by which decisions are implemented (or not implemented), hereby, public institutions conduct public affairs, manage public resources, and guarantee the realisation of human rights. Good governance accomplishes this in a manner essentially free of abuse and corruption and with due regard for the rule of law.

Ethical and Legal Behaviour:

Ethical behaviour is characterised by honesty, fairness, and equity in all interpersonal relationships. Ethical behaviour respects the dignity, diversity and rights of individuals and

groups of people. When coupled with legal behaviours there is an expectation that there will be a penalty for conduct that breaches any law statute or regulation.

Organisational relationships

Reports to:

Rural Services Manager

Supervision of:

No supervision applicable

Internal Liaisons

Stock Routes, Commons and Saleyards Staff, Rural Services Manager/ Parks and Gardens Supervisor and other Council Departments.

External liaisons

State Government Departments, Customers, Winton Shire Community at large and visitors to Winton as required.

Position objectives

To improve the capacity of Council to manage the biosecurity obligations across Stock Routes, Common, Show Grounds, Saleyards, Landholders and Parks and Gardens within the region.

The position will:

- Develop pest management plans with landholders within the region.
- Build landholders skills and capabilities to effectively manage pest animals and weed through education, training and providing property-specific technical advice and labour (upon request) and assist in promoting knowledge and skills of the wider community to engage and participate in pest management awareness events, study tours and training events.
- Provide assistance to all staff to ensure that there is greater awareness of biosecurity risk and that Council is fully prepared for possible outbreaks of exotic or endemic diseases and harmful pests and developing on-farm biosecurity plans.
- Assist Council Parks and Gardens Supervisors and staff to be across all environmental biosecurity requirements.

Organisational commitment

Corporate

All Local Government employees are required to comply with relevant Acts and regulations, Council's policies and procedures as amended from time to time.

Confidentiality and improper use of information

All Council documents and information are treated with complete confidentiality. Information gained during employment with Local Government must not be used to gain advantage, or to cause detriment to the Local Government.

Continuous quality improvement

All employees are encouraged to embrace the concept of Continuous Quality Improvement

(CQI) within the workplace. This will encourage creativity and innovation and identify and implement improved ways of doing things through this structured process.

Workplace Health and Safety

All employees have a duty under the *Workplace Health and Safety Act 2011* Section 28. Workers and any other person includes Council employees as well as contractors, sub-contractors, labour hire workers, trainees, apprentices, work experience students, volunteers and visitors. Workers and any "Other Person" who enters Council workplace must apply the WHS Duty of reasonable care.

Reasonable care

This includes:

- Taking reasonable care for his or her own health and safety
- Taking reasonable care that his or her acts or omissions do not adversely affect the health and safety of other persons
- Complying, so far as the worker is reasonably able, with any reasonable instruction that is given by an authorised officer of Council to allow the person to comply with a WHS requirement
- Cooperating with any reasonable policy or procedure of Council relating to health or safety at the workplace

Worker Responsibilities include:

1. Attending and participating in pre-start meetings as required, to identify any potential WHS issues and implementing control options to eliminate or minimise any risks before commencing work.
2. Inspecting plant and equipment before using it to ensure that it is safe for use.
3. Reporting any defective or damaged plant, tools and equipment to the Supervisor as required.
4. Taking personal responsibility for the safety of themselves and others that may be affected by work conducted by themselves as a worker of Council.
5. Complying with any Policies or Procedures and complying with any work directions and/or instructions that are provided.
6. Monitoring and assessing WHS hazards and risks while conducting any work, and reporting any issues to the relevant supervisor as required.
7. Consulting with the supervisor and WHS Safety Representative for their designated work group on any safety issues as required.
8. Monitoring the safety conduct of co-workers including Contractors and reporting any concerns immediately to the contractor or the Supervisor.

Stopping work and notifying the Supervisor if there is imminent risk of injury
